- The kitchen is licensed for caterers to serve food in the dining room or sanctuary and may be included for an additional fee-for-service.
- The sanctuary was completed in 2003 and may be used for rites of passage, concerts, meetings, forums and other activities. It has a maximum seating capacity of 225.
- The use of the large foyer, conveniently located between the multipurpose area and the kitchen, is included at no additional cost and may be set up as a reception area or as a buffet food area.

*An ideal
place for
your perfect
wedding*

*The choice of a life partner
may be the most significant
decision we ever make.*

Marriage vows can reflect the hopes, ideals, personalities and values of each couple, no matter what their faith or cultural background. The first same-sex wedding in Canada was performed by our church.

When it's time to plan your wedding, talk to a Unitarian Universalist minister or lay chaplain. They can help you create a unique and meaningful service that will serve as the foundation for a long and happy relationship. Our church provides the perfect setting for that important event.

Our spacious living room combines simplicity and elegance for a small, intimate wedding for up to 20 guests.

Larger celebrations are held in our sanctuary which can be set up to hold up to 180 people. It can also be converted to a banquet hall seating up to 96 people. A grand piano and sound system are available.

Cake, finger foods and other light refreshments are often served in the dining room.

Our newly completed deck and patio add further flexibility — and a great place to launch a bouquet! Outdoor weddings have been performed in this lovely river-front location.
